

# How to Make a Paper Plate Candy Corn Caddy

With the paper plate facing up, fold the Paper plate in half.

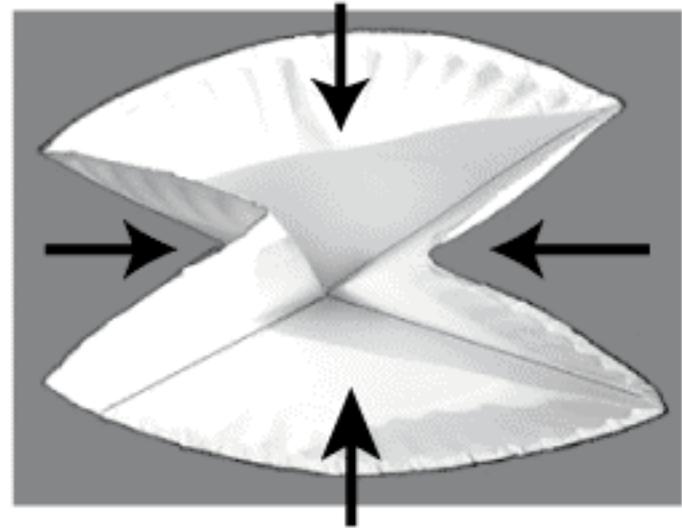

Fold it in half again.

Unfold the paper plate and fold it in half again the opposite direction, in the center of two of the fold lines.

Unfold the paper plate again.

Hold the paper plate so that the top of the paper plate is facing you with the last fold lines running horizontal.

While bringing the top and bottom of the paper plate together, press in on the sides so that the paper plate folds up into a candy corn shape.

Flatten the Caddy. Glue the sides together to make a caddy with two compartments.
